After the publication of this work [1] it was noticed that there were typographical errors in the following equations: equation 5 in column 2, equation 7 in column 2, equation 8 in column 1.

The bracket was placed incorrectly, so it should read:
 $\log_2(Y_{\{gij\}} + 0.5)$ rather than $(\log_2 Y_{\{gij\}} + 0.5)$
The publisher apologizes for this error.
