

Cold Spring Harbor Laboratory
School of Biological Sciences Thesis
Submission Agreement

A Student's Thesis deposited in the CSHL Institutional Repository will not be made publicly available online or in the Library without the Student's permission as set forth in this Agreement. Such availability ensures maximum visibility and access to Theses. However, there may be circumstances where, on a temporary basis, Student does not want CSHL to grant public access to the Thesis for reasons of commercial confidentiality or conditions imposed by sponsors or otherwise.

(<http://repository.cshl.edu/>)

Student's full name ("Student")	MARTYNA WIKTORIA SROKA
Thesis Title ("Thesis")	MYODIFFERENTIATION OF RHABDOMYOSARCOMA
Thesis Completion Date	5/16/2022
Name of Research Mentor	CHRISTOPHER VAKOC

If Student wants to make the Thesis available but wishes to restrict access to it for a limited period of time, they should tick YES in the permission box and then indicate the amount of time they wish to embargo access and the reasons for doing this in the two boxes that follow.

Student agrees that the CSHL Institutional Repository administrators or any third party with whom the CSHL Institutional Repository has an agreement to do so may, without changing content, migrate the Thesis to any medium or format for the purpose of future preservation and accessibility.

Student understands that the rights granted to the CSHL Institutional Repository through this agreement are entirely non-exclusive and royalty free; and that Student remains free to publish the Thesis in its present version or future versions elsewhere.

This form must be signed by the student and advisor before it is submitted with final copies to Kim Graham.

Access Permission

I give CSHL permission to make my thesis available: YES NO
(<http://repository.cshl.edu/>)

If Student selected 'Yes', please list key words or phrases for Student's thesis.

Note: keywords and phrases should include terms specific to the Thesis contents, as well as general terms to insure searchability and retrieval.

RYABDOMYOSARCOMA, PAX3-FOXO1, NF-Y,
CANCER, MYODIFFERENTIATION

Access Restrictions

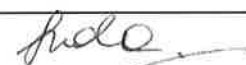

I wish to delay access to my thesis for the following length of time (Please tick one box):

6 months	
1 year	X
2 years	
3 years	

Access is not normally restricted for more than 3 years, although the embargo period may be renewed upon request. If Student wishes to restrict access for more than 3 years, please contact Sasha Luks-Morgan at CSHL Library & Archives luksmor@cshl.edu or 516-367-6987.

If Student has placed an embargo on access to the Thesis, please indicate the reason below:
(Tick one box)

Thesis is due for publication, either as a series of articles or as a monograph	<input checked="" type="checkbox"/>
Thesis contains commercially sensitive information, the release of which might prejudice the commercial interests of any person including the author, CSHL or an external company	<input type="checkbox"/>
Thesis includes material that was obtained under promise of confidentiality	<input type="checkbox"/>
Publication would cause you or third parties mentioned in the text to be open to legal challenge or racial, ethnic, political or other persecution	<input type="checkbox"/>
